CONDITIONS OF SALE

TERMS—Cash, unless otherwise arranged.

As soon as cattle are sold they are at the purchaser's risk. Every care and attention will be given the same as our own.

All papers and documents necessary for export will be provided.

A certificate of registry in the Dominion Shorthorn Herd Book goes with each animal.

All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.

Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. Any animal not proving up to foregoing guarantee shall be replaced with another animal of equal value at the time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retail for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.

Breeding dates announced day of sale.

Calrossie Baronet—purchased at Perth for 3,000 guineas and has been a great sire in the Naemoor herd. Sire of Naemoor Primate sold to Scottish Cattle Co. for 3,000 guineas; of Naemoor Passport used successfully in the A. J. Marshall herd before being exported to the Argentine where he sold for 40,000 pesos; also of Naemoor Royalist sold at Buenos Aires for 95,000 pesos, Oct. 1952. Calrossie Baronet daughters are some of the breed's best, not only do they have bone and substance, but invariably have outstanding heads and quality throughout. His sire, Kirkton Baronet, is one of the all-time greats of the breed. Both he and his sons have topped the lists of breeding sires for a number of years. His dam, Calrossie Honora Broadhooks won the Royal Show in 1948, she being sired by Calrossie Randolph.

Aberfeldy Prince looks like a real breeding bull. He has what the breeders are looking for—quality, size, tremendous bone, depth of body with unusually good hindquarters, width of head with large muzzle. Prince sold for \$5,000 at the November 1952 Aberfeldy Sale, setting the highest price for a Shorthorn bull sold in Canada in 1952, and recently sold at Mrs. Gartley's Sale and now jointly owned by Culbert and Gardhouse. His calves are coming and have great promise. There are three heifers in the Sale bred to his service.

Here is a heifer that we would have liked to keep in our herd. Her Dam is one of the best Imp females ever to come to Canada. Her Dam has 6 Perth grand champions at the top of her pedigree. Her Sire, Chapleton Crusader, was grand champion at Perth two years in a row. She is also the Dam of the white heifer that won the Senior Yearling class at the Royal Winter Fair 1953.
